## New GrN Product Release

### *Quick Shift Lever Unit*

**Application:** Lancer Evolution X

**Homologation:** N-5718 10/07VO 01 JAN 2010

To improve gear change timing, Ralliart have designed and homologated this exchange gear shift and stick assembly as an exchange unit from the original fitted.

The longitudinal shift is reduced by 37% and the transversal selecting stroke is reduced by 27%

**Part Number:** TRA245037S1

**Price:** AED 1,395/-
