New Product Release Evo X – GrN

Evo X Front Brake Air Duct Kit

TRACZ4602S1 - AED 2495/-

With reference to homologation N5718 08/05VO on April 1st 2009, the Evo X front brake duct kit for the Evo X is now available.

According to Group N Regulations **Article 254 6.7 Bodywork, 6.7.1 Exterior**; Plastic wheel arch liners can be detached and changed according to the following **FIA wording**:

“Plastic sound proofing parts may be removed from the wheel openings. These plastic elements may be changed for aluminum or plastic elements of the same shape”

It will be possible to modify your plastic or Kevlar wheel arch liners to accommodate this kit.*

*Illustrations/pictures from homologation N5718 08/05VO – see overleaf.
